

# Amendment: 8

## General Provisions

Representative **COBB-HUNTER** proposes the following amendment:

NEW

117.mhpr (GP: Mobile Health Partnerships Review) The Commission on Higher Education, in conjunction with the Department of Health and Human Services, shall establish a working group to review how higher education institutions are partnering with existing entities to provide mobile health care in rural, underserved areas and ensure there is no duplication between service areas. This working group must include members from the Medical University of South Carolina, Clemson University, University of South Carolina, and the South Carolina Primary Care Association. By December 1 of the current fiscal year the group shall report its findings to the Chairman of the House Ways and Means Committee and Chairman of the Senate Finance Committee.
